Ghaziabad/Uttar Pradesh

## SUMMARY

Junior Android Developer with an impressive background in creating advanced mobile applications .

## PROJECTS

### TimeTable+

<https://play.google.com/store/apps/details?id=in.gurulabs.timetable>

TimeTable+ is a Study Planner Android app for everyone to manage their tasks and save time.

- Android App to schedule tasks
- Used Room Database with sqlite
- Used Alarm Manager to get Notification on time

### Smart AMS

It is an android app that is developed for keeping the track of the student's attendance.

- Android Based Attendance Monitoring System
- Used Firebase Database for storing data
- Implemented Push Notification using Firebase

## TRAINING / COURSES

### The Complete Android Developer Course

Learn how to use databases, web services, and even get your apps to speak!

- Understand the all new Constraint layout, for "drag and drop" screen creation.
- Use powerful libraries of code to play videos, download website data, manipulate images, and a whole lot more!

### Become an Android Developer - Nanodegree

- Material Design for Android Developers
- Make your apps more responsive, and create a total user experience with home screen widgets
- Work with instructors step-by-step to build a cloud-connected Android app

### IBM Data Science Professional Certificate

- Python for Data Science, AI & Development
- Python Project for Data Science.
- Databases and SQL for Data Science with Python

## EDUCATION

2016 - 2020

Uttar Pradesh, India

- Bachelor of Technology in Information Technology  
[Dr. A.P.J. Abdul Kalam Technical University](#)

## LANGUAGES

Java Proficient

Python Proficient

SQL Proficient

GIT Advanced

# SKILLS

Android Development

Java

Python

SQL

GIT

Web Scraping

Machine Learning

User experience design

XML

Emulators

# ACHIEVEMENTS

## Project

Secured 3rd position in State Level Innovation Competition (2019-2020) held at HIET

## Project

Won Consolation Prize in State Level Innovation Competition (2018-2019) held at HIET

## Academics

Secured 2nd position in Academics (1st year)  
Secured 3rd position in Academics (2nd year)  
Secured 3rd position in Academics (3rd year)
